FIAMERITE FIRES

2014/15

DESIGNED FOR LIVING

essence

Flamerite Fires offers a range of high-quality electric fires, designed to inspire. From the ultra-modern to the classically cosy, from the quirky to the elegant, a Flamerite fire will provide a striking focal point in any style of room. Many of the models offer a choice of fuel bed and trim, allowing customers to personalise their fire to suit their setting.

Floor standing suites	4-19
Wall mounted suites	20-23
Stoves and Cast Suites	24-33
Wall mounted fires	34-39
Inset fires	40-49

There are five attractive flame pictures featured in the Flamerite Fires range, which can be enjoyed with or without heat. Each of them either comes as standard with LED lighting (approx 40,000 hours LED life with a 2 year warranty) or can be ordered as a cost option. For more information ask your retailer or see www.flameritefires.com

SOLARFlame 3D

A fully enchanced and rich projected flame image.

LED lighting is standard or an option on this product.

RADIAFlame 3D

A strong and radiant flame image with a deep fuel reflection.

NITRAFlame 3D

A warm and lively flame image with a deep fuel reflection.

RADIAFlame Curve

A strong and radiant curved flame image at the centre of fuel bed.

NITRAFlame Curve

A warm and lively curved flame image at the centre of the fuel bed.
